**Abstract**  
**The Role of Daluna in Bedyá City in Describing the Nature  
of Social, Economic and National life**

The study aims at showing the role of Daluna in Bedyá city in describing the nature of social, economic and national life that people lived during the British Mandate till the late seventies of the twentieth century. The study talked about the origin of the popular song and its emergence in Palestine. It talked about the Daluna and its performance and the subjects it sang about. It also talked about three other basic subjects through which it described the social, the economic and the national sides that were dominant in Bedyá at that time.
